

Product Name :
Eye Wash Stations

Product Code :
LIM-CAT-L0028-00004

Description :

Eye Wash Stations

Technical Specification :

Eye wash stations

Wall mounted kit, supplied with 2 spare wash bottles

Wall mount with pictogram and mirror, including DUO eye wash bottles:

1 x 1000 ml sterile NaCL eye wash solution (LY44.1)

1 x 500 ml sterile pH neutral phosphate buffer eye wash solution (LY45.1)

Ideal for use in workplaces where acids, bases and foreign bodies can get into the eyes.

DUO bottles come with an eye support which allows both eyes to be rinsed simultaneously.

After rinsing with the phosphate buffer solution, it is recommended to continue rinsing with the sodium chloride solution until medical treatment is provided.

Pictogram dimensions: H 300 x W 90 x D 3mm
