

Product Name :
Pressure Test Pump

Product Code :
LIM-CAT-L0037-00001

Description :

Pressure Test Pump

Technical Specification :

Pressure Test Pump

Test Pump in light wight and compact design. Easy to carry. Will be your good tool to test in confined spaces. Reliable and precise measurement results: Test pump with double valve system (twin valve) allows self-testing of the pump, as well as a precise fine adjustment of the pressure.

Test Pump with steel mesh hose. No measuring errors which will be caused by expansion of the hose.

Robust precision testing pump for pressure testing of water lines and containers up to 60 bar.

A drag indicators displays the preset pressure so that a loss of pressure in the system can be detected easier.

Testing and pressure range 0-60 bar

Tank capacity 12 liters

Suction capacity 45ml/stroke

Connection 1/2" BSP
