Product Code :
LIM-CAT-L0042-00002

Description :

Pruning Saw

Technical Specification :

Pruning saw

53 cm metal handle.

Pruning saws are especially the tools like hand pruners, loppers . These saw are basically designed for delivering the quality work you expect.

The blades of the pruning saw is specially designed to cut on the pull stroke, unlike many other hand saws. The tool is specially shaped to precisely glide through the wood for a smooth and clean cut.

This pruning saw is made to take on dense or frozen limbs also. This hand tool also features a comfort grip for holding.
