

Product Name :
Assembly Kit 2-Door Domestic Refrigerator

Product Code :
LIM-CAT-L0045-00005

Description :

Assembly Kit 2-Door Domestic Refrigerator

Technical Specification :

Assembly kit 2-door domestic refrigerator

Assembly kit domestic refrigerator

This kit is specifically designed for educational aims to lead students to learn the assembling and servicing techniques of domestic refrigerators.

It also includes the pipes and metallic small parts that can be used together with the standard tools for refrigerator technicians to assemble the hydraulic and electric circuits.

This kit can easily be disassembled for a repeated use.
