

Product Name :
Electronic Leak Detector

Product Code :
LIM-CAT-L0010-00004

Description :

Electronic Leak Detector

Technical Specification :

Electronic leak detector

The Raptor Refrigerant Leak Detector offers state-of-the-art features and micro-processing technology while the design sensor delivers an accurate and instantaneous response. Packaged in a blow molded case with 2 "C" batteries and sensor tip.

Features:

- Digital Signal Micro Processor
- Visual Leak Level Indicator
- Reset Function
- Keypad Control
- Sensitivity Level Adjustment
- Battery Test Function
- Variable Frequency Audible Alarm.

Specifications:

- 3 Levels of Sensitivity (5 Levels of Detection)
- Detects leaks as small as 1/10 oz per year
- Detects all refrigerants (CFC's, HCFC's, HFC's)
- Power: 2 "C" Batteries

Probe: Flexible 16" (43 cm).
