

Product Name :
Sectioned Hermetic Compressor with Evaporator

Product Code :
LIM-CAT-L0012-00003

Description :

Sectioned Hermetic Compressor with Evaporator

Technical Specification :

Sectioned hermetic compressor with evaporator
Compressor Cutaway (373-120) is an expertly- sectioned example of a common intermediate (1"-1 ½") horsepower semi-hermetic refrigeration compressor that facilitates and supports practical training in compressor design, operating principles, and maintenance.
A full longitudinal cutaway allows for full visibility of the compressor's operating components, including multiple cylinders, valves, internal motor, and crank shaf
10-Gauge formed-steel powder-coated baseplate. compressor, including both exterior casings, and compressor castings
Precision-painting of cutaway surfaces increasing definition and 3-dimensionality
Product Dimension:343 x 610 x 305 mm.12Kg
