

Product Name :
Plastic Faced Hammer

Product Code :
LIM-CAT-L0051-00054

Description :

Plastic Faced Hammer

Technical Specification :

This Red Nylon head mallet is made of a non-porous ultra high molecular material that will not mar, especially suited for delicate work.

The Nylon hammer also reduces shock on impact when in use.

The Nylon Head Mallet can also be replaced, as spare mallets are also available.

Popularly used for Jewellery, Hobby, Metal Smithing, Leather, Fabrication and many more.

Head diameter: 25 mm.
