

Product Name :
Turbine Pump

Product Code :
LIM-CAT-L0068-00006

Description :

Turbine Pump

Technical Specification :

Turbine Pump

Features:

Yield: 12000 L/h

Electrical demands: 1.5 kW, 400 V, 6A

Material: AISI 304 stainless steel

Size: 350x1100x450mm

Weight: 50kg

Connections: DN 65

IP65 certified electronics

Very easy to clean.

Requires minimal maintenance.

Ideal for high viscosity materials like dough, mash.
