

**Product Name :**  
Stainless Steel Container

**Product Code :**  
LIM-CAT-L0069-00002

**Description :**

Stainless Steel Container

**Technical Specification :**

Stainless Steel Container

Specifications:

Performance: 2000 L/h

Electricity demand: 0.5 kW, 230 V, 6 A, single phase

Material: AISI 304 stainless steel

Size: 550x1075x350mm

Weight: 50 kg

IP65 certified electronics

Food industrial impeller pump

Juice level sensors

Fully automatic operation, very easy to clean.

With 4 wheels. It requires only minimal maintenance.

The machine is suitable for all Maurer presses.
