

Product Name :
Industrial Vacuum Cleaner

Product Code :
LIM-CAT-L0072-00031

Description :

Industrial Vacuum Cleaner

Technical Specification :

Industrial Vacuum Cleaner

Dust Free Work Space: 99.95% of fine dust (>0.3 micron) filter by HEPA filter.

Reduce Cost of Ownership: Pre-filter technology extends main filter lifespan X3 times.

Compatible with any power-tool dust extraction connectors (Dia 30mm).

Easy to Carry: Specially designed drag and go rope.

Product Features:

Power: 1.100 W

Container volume: 25 L

Container material: plastic

Suction hose length: 2.2 m

Additional socket: Yes

Blow function: Yes

Crevice nozzle: Yes

Wet/dry suction nozzle included: Yes

Cable length: 5 m

Dimensions and weight:

Weight: 8,5 kg

Height: 65.2 cm

Width: 38.2 cm
Depth: 41.8 cm.
