

Product Name :
Engine Stand

Product Code :
LIM-CAT-L0072-00032

Description :

Engine Stand

Technical Specification :

Engine Stand

Made of high quality steel and built to standards of quality and durability.

360° rotating head with gearing system for easy turning and obtaining the perfect angular position.

90° reduction gearbox with 'Worm Drive' system holds the load at any point during 360° rotation.

Lead-free paint is applied after a thorough chemical cleaning to ensure a durable finish and prevent rust.

The paint is oil, grease and dirt resistant for easy cleaning.

Heavy-duty tubular construction with industrial-grade steel castors for easy manoeuvring.

Mounting head has four adjustable arms with bolt holes for different load sizes.

Load capacity up to 900 kg

Head can be rotated through 360

Very stable due to 5 robust castors

Easy to fold & space-saving

Weight: 38 kg

Dimensions: (LxWxH) 92 x 93 x 109 cm"

Laboratory instruments manufacturers India
