

Product Name :
Shrink Tubing Assortment

Product Code :
LIM-CAT-L0072-00088

Description :

Shrink Tubing Assortment

Technical Specification :

Shrink tubing assortment

Category: Shrink tubing assortment

Shrink ratio: 3:1

Heat shrink tubing

Features:

Material: Polyolefin (radiation cross-linked)

Shrink temperature (min.): +100 °C

Min. temperature: -55 °C

Max. Temperature: +125 °C

Halogen-free: No

Product Type: Heat shrink tubing assortment

Temperature range: -55 - +125 °C.
