

Product Name :
Insulating Electrician Tape Set

Product Code :
LIM-CAT-L0072-00089

Description :

Insulating Electrician Tape Set

Technical Specification :

Insulating Electrician Tape Set
VDE Insulating Tape Electrician Tape Set
PVC 15mm x 10m rolls
Set 9 colors
VDE-tested, according to DIN EN 60454-3-1 type 5
Chemical base: acrylate, soft PVC film
Dielectric strength: 9 kV/mm
Flammability: Flame retardant
Largely resistant to dilute acid and alkali
Tear and aging resistant
High flexibility and adhesive strength
Width: 15 mm
Length: 10 m
Thickness: 0,15 mm
Colors: 2 x black, red, blue, yellow, green, white, brown, gray, yellow/green.
