Product Name :	Product Code :
Thermos Anemometer	LIM-CAT-L0086-00006

Description :

Thermos Anemometer

Technical Specification :

Simultaneous display of air flow and air velocity.
Measurement of ambient temperature.
Large easy-to-read LCD with switchable backlight.
Maximum / minimum function.
20 average readings for air flow and air velocity.
Data HOLD function.
16 memory locations for area (8 CMM, 8 CFM).
Remote vane with low friction bearing (65 mm diameter) for accurate results.

Laboratory instruments manufacturers India
