

Product Name :
Tube Bender

Product Code :
LIM-CAT-L0007-00015

Description :

Tube Bender

Technical Specification :

Triple head tube bender

Bends all tubes with O.D of 1/4 , 5/16, 3/8

Bends up to 90°

This excellent tubing bender makes perfect bends in aluminum, copper and steel tubing.

The professional-quality lever action allows for easy and precise bending, without collapsing the tubing.

The tubing bender is made of solid cast steel with machined and painted surfaces.

Marked degrees gauge accurate angles to 90 degree.
