

Product Name :
Set of Lever Type Pipe Benders

Product Code :
LIM-CAT-L0007-00032

Description :

Set of Lever Type Pipe Benders

Technical Specification :

This excellent tubing bender delivers high-quality bending performance for aluminum, copper and steel tubing. 2-stage design allows for in-place bending from 90 to 180 degrees easily and precisely, without collapsing the tubing.

Clear 0-180 degree graduations allow you to bend to exactly what you want, it's a great bender tool for fuel lines and brake pipes.
